## An experience that will touch your soul and awaken your senses

Kimberley Coast Beach Camping Cruises with One Tide Charters are adventure cruises designed for travellers who have a sense of adventure and are keen to go beyond standard cruise itineraries.

One Tide Charters specialises in visiting places and offering activities that other operators are unable to include in their itineraries.

With the option of either camping on secluded beaches or rolling out a swag on board our vessel, (the Kimberley Xplorer) our cruises are an authentic Australian wilderness experience with an emphasis on providing the opportunity for clients to physically explore the Kimberley's vast and rugged coastline.

Being an owner operated business (your skipper owns the business) your are assured of a cruising experience with an operator that not only knows the coastline intimately, but is passionate about making sure our passengers get to see the best that the amazing Kimberley coastline has to offer.

Trips are fully catered for, with fresh fish, oysters and mud crabs offering superb cuisine. Delicious home cooked meals are also available for those who don't eat seafood.

Customised cruises of a longer duration or exclusive charters can be arranged.

Standard trips include:

**6 Day Horizontal Waterfall Thriller**

**8 Day Sale River / Montgomery Reef Adventure**

**8 Day Remote Barra Expedition**

**10 Day Walcott Inlet / Sale River Adventure**

**12 Day Prince Regent / Sale River / Montgomery Reef**

**15 Day Ultimate Kimberley Coast Live Aboard Adventure**

Visit our website for detailed itineraries of all our adventure cruises. [www.onetide.com](http://www.onetide.com)

Prices include all meals, camping equipment, bedding, fishing gear, crabbing nets and bait. Other than your personal effects, the only thing you need to bring would be any alcoholic refreshments.

One Tide Charters can provide assistance in co-ordinating transport from Broome to Derby, and other accommodation whilst in Derby, however you would be responsible for any associated cost. One Tide Charters can also provide vehicle storage at no charge whilst you are out on your trip.

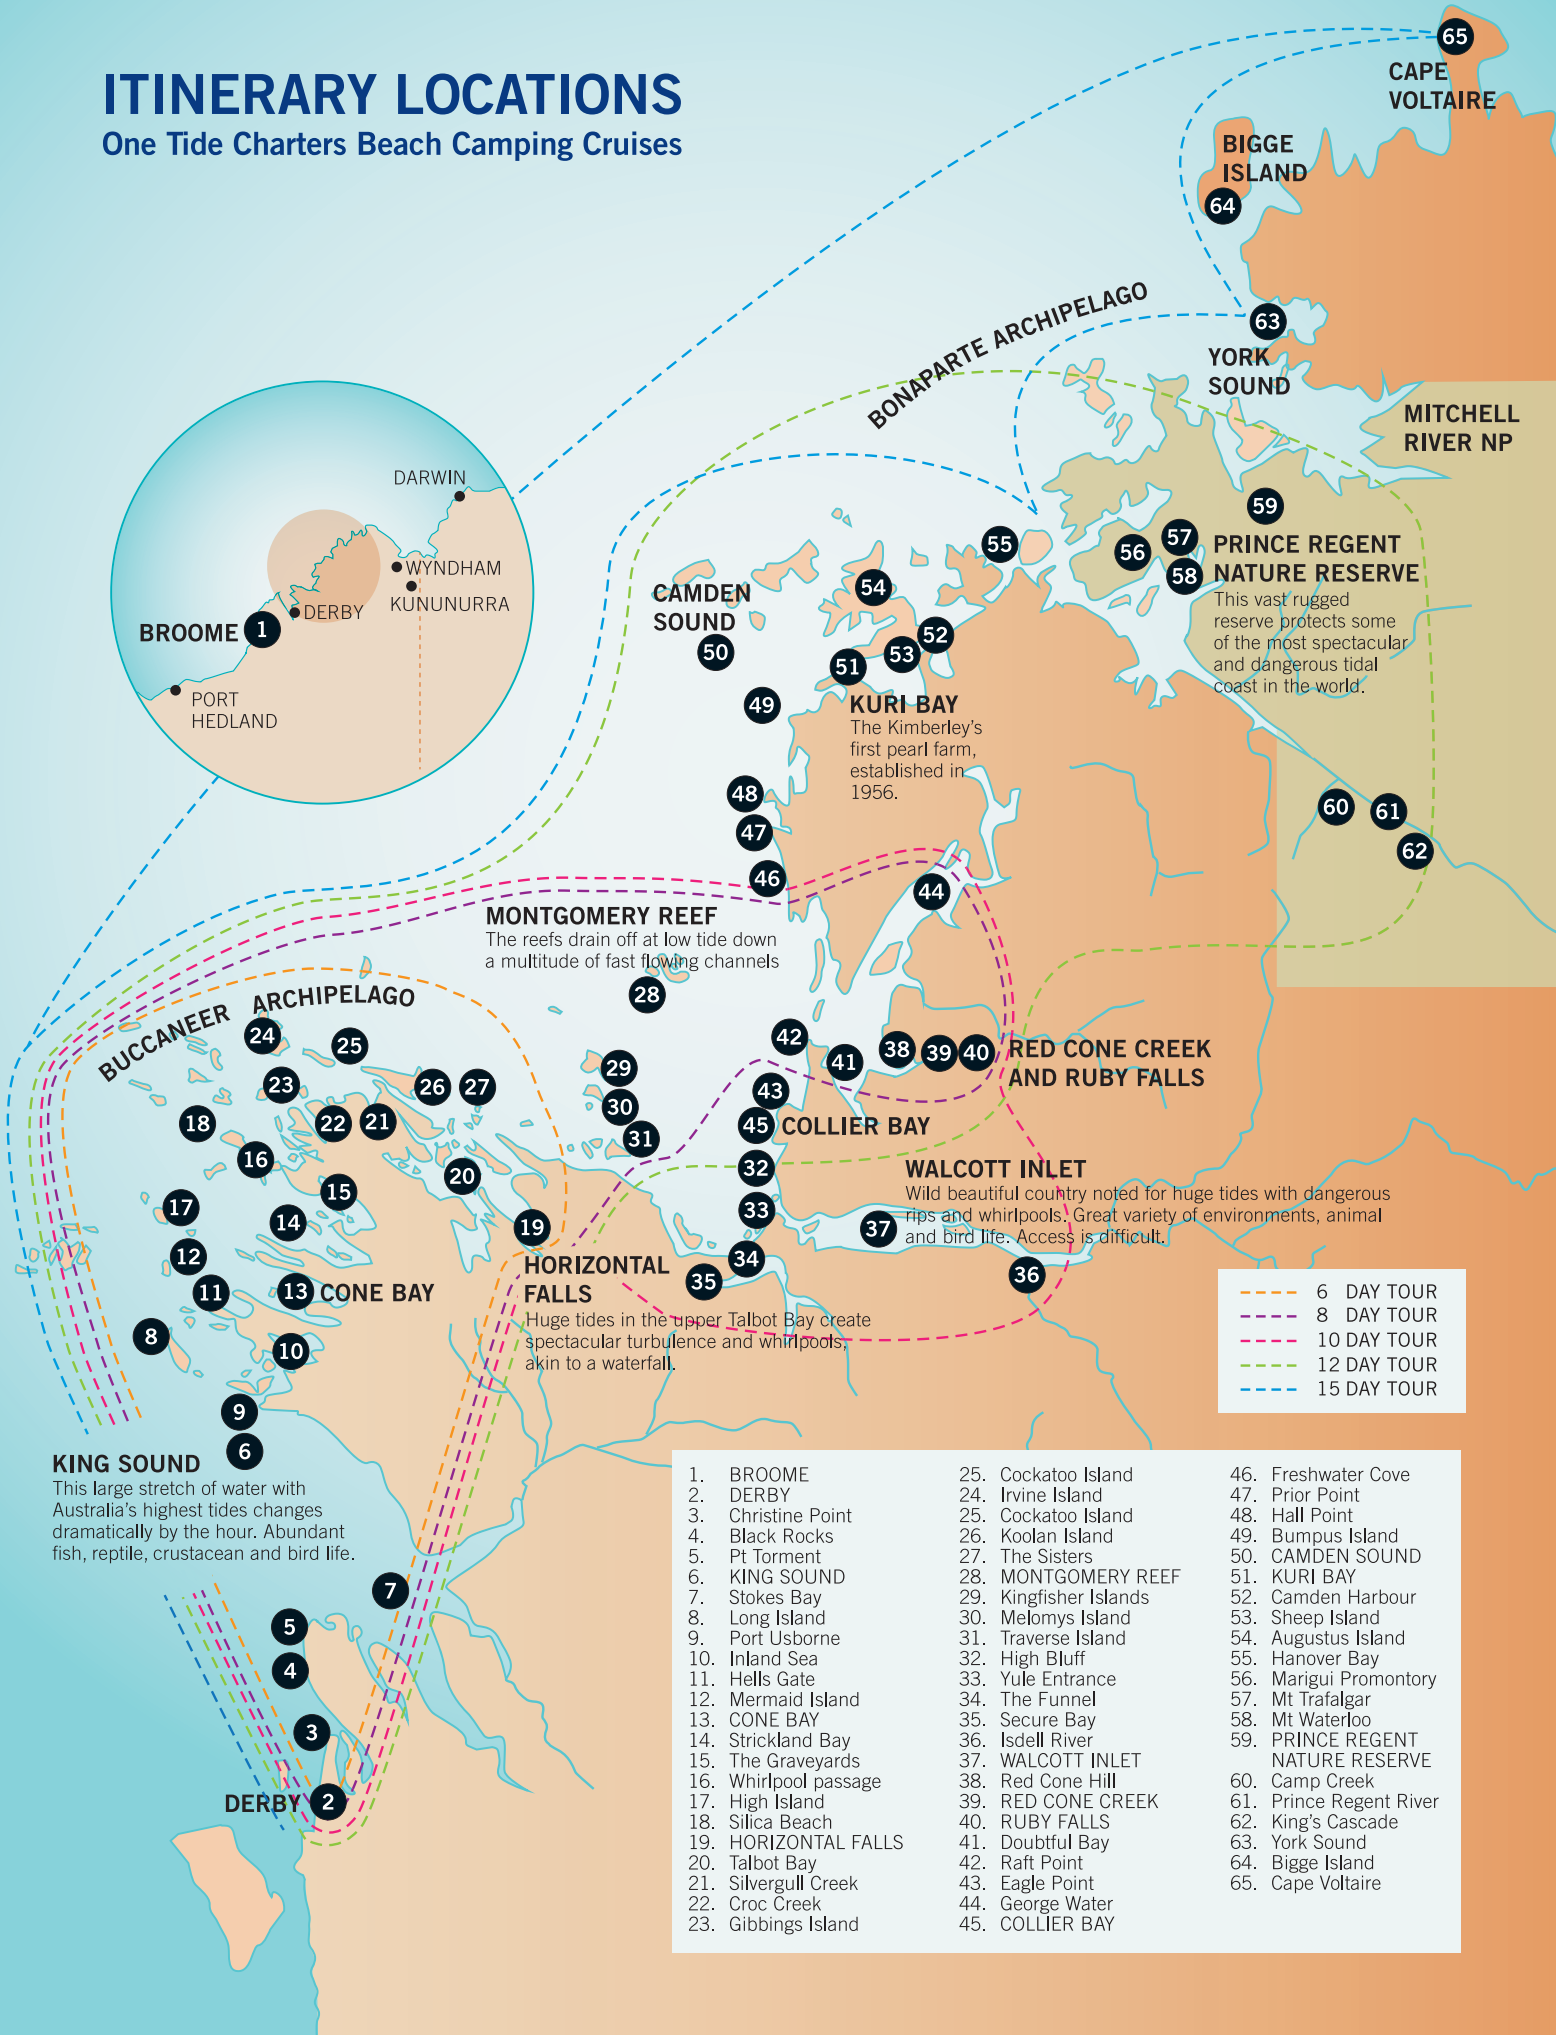

### Points of difference when comparing pricing with other Kimberley based cruise operators:

- ✓ Our vessel can cruise up to 18 knots. We may do a mixture of high speed running and cruising. The higher speed allows us to push against the tide and control the boat in very turbulent waters in places like 'Hells Gate' and 'Whirlpool Passage'.
- ✓ We quote on the basis of full days (not nights) where you will leave at approximately 0800 on the first day and arrive back into Derby at about 1500 on the last day.
- ✓ We don't travel at night which means you don't miss out on any aspect of the coastline.

## 15 Day Ultimate Kimberley Coast Live Aboard Adventure

This trip is very much a 'one off' offering a comprehensive exploration of the Kimberley coastline with an itinerary that has been compiled from 17 years spent exploring the area. The cruise has been designed to showcase the diversity of the physical presence on Australia's northern coastline dating back thousands of years, as well as some very special places that reflect the coast's natural beauty. Over the 15 days the aim is to take you to sites that do not form part of the standard Kimberley coast cruising experience – some places are very seldom seen by anyone; and others it is highly likely have not been seen.
